HYDRAULIC SYSTEM *Fecon Power Management®	
System Pressure	6000 psi
High Flow	61 gpm
Low Flow	26 gpm
Hydraulic Reservoir	26 gallons
UNDERCARRIAGE	
Type	Steel Cross Link
Track Width	18"
Track Gauge	54"
Ground Pressure (Cross Link Track)	4.1 psi
Ground Clearance	14"

The new FTX148-L offers both big machine performance and unparalleled operator comfort in a compact utility size. The FTX148-L provides the right combination of purpose built mulching tractor and versatile multifunction carrier.

Capitalize on almost twice the performance of a typical skidsteer mulcher while being only slightly larger in size for transportability, tight work spaces, and low ground pressure. Achieve more revenue per day with the FTX148-L, from Fecon.

## FEATURES

- Ergonomically designed cab with side door entry
- Suspension Seat
- Loader arms for versatile performance
- Suspended undercarriage
- Excellent serviceability access
- Fecon Power Management®
- Quick Attach Coupler for Approved Attachments
